

The PwC Accelerator

The Accounting program, that fuels
your journey towards success.

The PwC Accelerator | About the program

Welcome to The PwC Accelerator, the Accounting upskilling program by PwC Greece.

The PwC Accelerator is a free training program taking place for the second consecutive year, for senior year students of the Department of Accounting and Finance at the Athens University of Economics and Business. It is designed for aspiring students to extend and deepen their knowledge on current issues and tools leveraged in accounting and finance.

The training modules are focusing on upskilling based on case studies (Management Reporting, Accounting Policy & Procedures), soft skills development (Problem Solving, Communication Skills) and leveraging specific tools (Power BI, Alteryx and Excel).

Participants will be enrolling on Cycle A and Cycle B (February & March 2025) with a total of 6 classes and 32 training hours.

The classes will be held in person at the brand new, state-of-the-art PwC Greece Headquarters in Athens, Dionisou 183. They will be carried out by experienced professional of the Outsourcing department of PwC Greece, powered by PwC Academy.
