

## JOB VACANCY

We are looking for:

## Sports Traders

Based in our offices  
in Peania, Attica

Are you a sports' fan? As a member of our Sports trading team, you will be responsible for the daily management of our sports betting product that includes football, basketball, tennis, volleyball, etc!

Your responsibilities will include a bet acceptance, odds monitoring, exposure and liability management, events management, customer profiling for the offering of our Managed Trading Services (MTS) in an online-based betting environment

This position is for true mathematical and analytical minds, who have a passion for sports and understanding of sports betting, people that are not afraid to make quick decisions and are able to work under pressure!

You will be a successful candidate, if you can identify yourself with the following criteria:

### Required Skills

- ★ **You are a huge sports fan!** In case you have an expertise in additional sports, apart from football tennis and basketball, it would definitely be an asset!
- ★ You have a **strong knowledge** and understanding of the sports betting business (bookmakers, markets, rules, betting trends)
- ★ **You have excellent numerical and mathematical skills!** You currently study or have recently finished your bachelor's degree in Mathematics, Statistics or in a related area of study
- ★ In case you have already acquired some relevant professional experience in the Betting or Gaming sector, it would be an advantage!
- ★ On the personal side: you are able to work under pressure, make quick and sound decisions and do keep in mind that **in our daily working hours we follow the sports calendar!**
- ★ ... we work, above everything else, as a **TEAM**. So, you also have to be an excellent team player!

### Why work with us?

Our vision is to attract and develop the most talented people in the betting industry, and to provide all the necessary means to support them, not only to fill their job description but also to go above and beyond expectations!

So, if you are keen to join a truly cutting-edge technology company, submit your resume!
