

Welcome to  
**Mastercard Advisors  
Athens Hub**

## Who we are

Mastercard Advisors is the consulting arm of the Services team, a key differentiator for Mastercard, providing the cutting-edge services that help our customers grow. **We work with customers to uncover data-driven insights, but also lead direct execution, generate sustainable growth and measure campaign success.**

Leveraging our wealth of anonymized and aggregated transaction data, combined with our team's expansive expertise and proprietary software platforms, **we enable our customers to answer critical business questions and make informed strategy decisions.**

While **specializing in the payments industry, we also work closely with major retailers, airlines, and other enterprises**, leveraging data and insights garnered from within and beyond our network.

Mastercard Advisors first launched the Athens office in 2017 and today it's grown into a European hub with more than 70 Consultants serving the wider region.

# Mastercard Advisors provide an unrivalled employee experience

**Truly multi-cultural environment.** We collaborate with colleagues across all areas of the organization and the world.

**Part of a growing team.** Advisors and the Services team is a growing business despite any challenges in the external environment.

**Sustainable work/life balance.** We believe that work and life should fit together. When you feel well, you live well – both professionally and personally.

**Flex work.** We recognize the value of choice and building meaningful connections. So, we've created a hybrid working model and introduced a series of benefits to help employees reset, recharge, and reconnect when they need to.

**Military service accommodation.** We secure the job for colleagues who are legally obliged to serve mandatory military service with an unpaid leave of absence.

**Tuition Assistance.** We feed your curiosity by encouraging you to explore your untapped potential with annual reimbursement for select professional certification courses, undergraduate courses, graduate courses and full MBA scholarships.

**Volunteer Days.** We help you help others by offering up to 5 paid days per year to volunteer and join community outreach activities and make a difference in the lives of others around the globe.

# Begin where passion fuels possibilities

We are looking for people with the following traits:

Strong academic record

Positive and eager to grow

Participation in extra-curricular activities

Multi-tasker, effective time manager

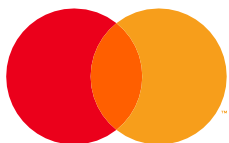

Effective communication skills

Team player and leader

Curious about technology and payments
